February 2009

Wine Tasting, Monday 16th March 2009, Eastbourne

Our annual wine tasting will be on Monday 16th March at the Cavendish Hotel, Eastbourne. With wine being such an important part of all our businesses, this is a great opportunity to taste a large number of wines from around the world and consider which wines you would like to list this year, or just remind yourself of some of the old favourites! There will be producers, growers and agents there on the day with a vast amount of expertise to share.

There will be some light "nibbles" to eat and the day promises to be both fun and useful. You should have received an invitation by now, but if you haven't, please contact the Sales Office and they will be happy to send you one.

2009 PRICE AMENDMENTS – All Effective 23rd February

Wine Pricing for 2009 **Advanced Warning !**

Later this month, we will be announcing a wine price increase, mainly on European wines and wines bought in foreign currencies.

This increase is largely due to the exchange rate crashes from last year. We have put off this increase for as long as possible but unfortunately, we can no longer absorb it.

A full list will be published later this month but as a guide, French & European Wines costing :

£3.00 - £4.00 are likely to rise 25p – 35p per bottle

£5.00 - £6.00 are likely to rise 45p – 55p per bottle

£7.00 - £8.00 are likely to rise 75p – 85p per bottle

Some Champagnes are likely to increase by £1.00 - £2.00 per bottle

Error on Schweppes Cordial Price

Last months pricing letter showed Schweppes 1 Litre cordials as going up by 70p per bottle. This was incorrect – the correct price increase was **6p per bottle.**
